

QUALITY POLICY STATEMENT

Treharne Automotive Engineering Limited is committed to implementing and maintaining a quality management system that complies with the requirements of ISO 9001:2015 and relevant regulatory and statutory requirements.

We shall focus on fulfilling our customer's requirements, providing and delivering the highest attainable level of service and value to the customer.

Performance measures will be documented and reviewed against defined goals at defined intervals for the purpose of continual improvement.

We will endeavour to develop and enhance our processes and effectiveness of our quality systems to serve the customer.

We will strive to achieve increased market share by excelling in complete customer satisfaction and customer responsiveness.

The above policy and objectives are communicated to all employees, in all areas of the organisation. All employees are expected to fulfil their responsibilities within the company's policies and procedures and are encouraged to propose changes if improvement is evident for any reason.
